Additional Clarifications – February 4, 2010

In response to further questions from bidders and potential bidders, we provide the following additional clarifications. This information extends RFP Amendment #1.

1. For basic maintenance of internal connections, the existing equipment list is as follows. The list may not be 100% complete, but should give enough information about equipment types and variety that a vendor can quote an hourly rate and approximate number of hours/week.

98th St.

Servers

- 1 Dell Power Edge SC1430
- 1 Dell Power Edge T610

Firewall

- 1 Cisco ASA 5510

Wireless Access Points

- 11 Wireless Access points - various manufacturers (see RFP)

Router

- 1 Netopia 3347

Switches

- 10 Cisco Catalyst 2960's - 48 port
- 6 Cisco Catalyst 2940 - 24 port
- 1 Cisco Catalyst 6509 Core Switch

UPS

- 25 SmartOnline UPS

Rack

- 1 42u equipment Rack

Mansfield

Switches

- 8 D-Link 24port
- 6 Catalyst 2960 48port
- 8 Cisco 1000base-T SFP
- 1 Cat Expr 500 24port POE
- 7 Catalyst 3560 SFP

Firewall

- 1 Cisco ASA 5510

Servers

- 3 HP ProLiant DL380 G5 Server

UPS

- 2 SmartUPS

Software

- 3 Windows 2008 Enterprise
- 2 Windows 2003 Standard
- Rack-Mounted Tape Drive**
- 1 HP StorageWorks 1/8 Ultrium 960 Tape Autoloader

2. For internal connections, the requested “Cisco-compatible wireless LAN controller” must support at least 10 wireless access points.

3. Here are more details on the kinds of phones potentially needed at each location:

| Locations | Mansfield 5-6 | 98th St. 7-8 | 98th St. 9-12 | 98th St. CMO |
|---|--------------------------|-------------------------|--------------------------|-------------------------|
| Admin Phones (full featured) | 4 | 3 | 3 | 8 |
| Teacher phones (local, LD, 911, voicemail) | 8 | 9 | 6 | 0 |
| Room Phones (just local, LD) | 1 | 1 | 1 | 1 |
| Virtual Users (phone forwarding + voicemail) | 1 | 1 | 1 | 3 |
